To Whom It May Concern,

The Linden Free Methodist Church had the good fortune of using "All That & More Cleaning" services to clean the carpet in our gym/sanctuary. The work was amazing and very reasonably priced. We are very pleased with this company and its performance. The work was done several weeks ago and the carpet still looks freshly done. We had several coffee stains which were lifted and have NOT returned. We would highly recommend this company to anyone that has a need for commercial or personal use.

Sincerely,

Dianne Jordan, Director
